**Notes:**  
1. The Unaudited Financial Results have been reviewed by Audit Committee and approved by the Board of Directors in its meeting held on 13th February, 2026. The above results have been reviewed by the Statutory Auditors of the Company. The Statutory Auditors of the Company have carried out a "Limited Review" of the financial results for Quarter ended 31st December, 2025.  
2. The above is an extract of the detailed format of Quarter and Annual financial result filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations & Disclosure Requirements) Regulation, 2015. The full format of the financial results are available on stock exchange website (www.bseindia.com) and on the Company's website (www.fraserindia.co.in).  
3. The entire operation of the Company relate to only one segment viz. supply of construction and real estate related materials. Hence, as per the Management approach under Ind AS - 108, the company has a single operating segment.  
4. Figures for the Previous period /quarter have been rearranged/re-grouped wherever necessary, to confirm with the figures for the current year/quarter.  
5. The Company was having Trade Receivables of amount Rs. 90.52 Million which was outstanding from long time or for a period of more than 12 months and during the period the management was able to do the settlement of major outstanding receivables of three parties amounting to Rs. 82.62 Million through NCLT. As per the settlement agreement dated 18th September,2025 the Company has received Rs. 40.00 Million vide demand draft dated 19th September,2025 and the company will also receive four residential agreements for approximate value of Rs. 40 Million. Subsequent to the review period the agreement for the said residential flats were registered on 03rd February,2026. Further the remaining trade receivables amounting to Rs.7.90 Million for which the balance confirmation were not available and recovery of same seems to be doubtful however no provision for the same have been made in the books as in view of the management that is recoverable and they are making effort on their part to get that recovered.  
6. These financial statements have been prepared on a going concern basis, despite accumulated losses and a negative net current asset position as of the balance sheet date. Management is optimistic about the company's revival in the coming years, citing the exits of residential projects and a reduction in debt. Consequently, these financial statements do not include any adjustments related to the recoverability and classification of assets or liabilities that might be necessary if the Company were unable to continue as a going concern.
